HARKINS, SAIGON

1. At the meeting of the Secretary of Defense with the Joint Chiefs of Staff this date, the ~~condemned~~ program was extensively discussed. The question of the utility of the program in relation to the problem of infiltration of supplies and men into Viet Nam received special attention. It was suggested that Mr. [REDACTED] could provide me further valuable information regarding this program during my visit to Saigon 16 through 19 April. I would appreciate having Mr. [REDACTED] meet me in Saigon at a convenient time for this purpose.

2. For General Harkins: In connection with the above, I wish you would select an appropriate time for such a meeting and render any assistance needed by [REDACTED] in travelling from Vientiane to Saigon.
